Warsaw, 13 September 2010

LETTER OF REFERENCE

MOSTOSTAL POMORZE S.A. with its registered office in Gdańsk, 59 Marynarki Polskiej Street, was contracted by P.R.I. POL-AQUA S.A. in 2009-2010 to perform the following work:

Within the project: Construction of the Northern Bridge in Warsaw

- The construction and assembly of the steel structure of the **KP-22** gangway – 31.7 tonnes – a double-span facility (2 x 20 m) comprising a single load-carrying structure – mat. S355
- The construction and assembly of the steel structure of the **WD-15** overpass – 379.6 tonnes – a double-span facility (2 x 23.24 m) comprising three separate load-carrying structures – mat. S355
- The construction and assembly of the steel structure of the **WD-04** overpass – 432.7 tonnes – a five-span facility (21+28+27+28+21 m) comprising two separate load-carrying structures – mat. S355.

Mostostal Pomorze complied with the quality requirements laid down by P.R.I. POL-AQUA S.A. Moreover, it met the set deadlines and followed the health and safety rules and regulations.

The contracted work was performed by Mostostal Pomorze S.A. with commitment and good labour organization. The contractor was cooperative and provided personnel involved in the project execution that had suitable experience and expertise.

P.R.I. POL-AQUA S.A.
Contract Director
Arkadiusz Arciszewski
