LETTER OF REFERENCE

We confirm that MOSTOSTAL POMORZE fabricated from September 2014 to February 2015 for AKER EGRSUND dummy templates for two Projects: Aasta Hansteen and Moho.

The works included fabrication of:

1. Aasta Hansteen Project - ca 110 Mg:

- Dummy Template 1 – bottom frame 14m x 16 m
- Dummy Template 2 – bottom frame 11m x 14 m
- Frames for HCS Landing – 10 pcs.

2. Moho Nord & Moho Phase 1Bis Project - ca 70 Mg:

- Dummy Structure M12 Levelling Frame - 15,1m x 22m
- Dummy Structure GLM Levelling Frame – 12,9m x 13m

During execution of contract MOSTOSTAL POMORZE presented good organization of works. All working areas were maintained in safe, clean and tidy conditions.

We are very satisfied with fulfillment of quality and safety rules and unproblematic co-operation with MOSTOSTAL POMORZE.
