Re: Fabrication Stick Built Pipe Spool Contract – Nyhamna Expansion Project

Date: Tuesday 22nd September 2015

REFERENCE

We hereby thank MOSTOSTAL POMORZE S.A. for the work associated with the Fabrication of Structural Sections and Stick Built for the Nyhamna Expansion Project.

The scope of MOSTOSTAL's work included, but was not limited to, the following main disciplines:

- All management, planning, reporting and administration required to complete the Project,
- Providing any indirect man-hours and facility, temporary works, utilities and services necessary to perform and complete the Project.
- Shop engineering.
- Fabrication and Assembly.
- Painting and PFP.

Above mentioned works were carried out under the contract no. KST-FC-13-0079 from August 2014 to August 2015.

We confirm that the contract was executed in line with our demands and expectations. Therefore, we recommend MOSTOSTAL POMORZE S.A. as reliable partner.

Yours sincerely,

For and on behalf of

Kvaerner Stord AS

Geir Torsnes

Company Representative
