3. March 2017

LETTER OF REFERENCE

We hereby thank the Mostostal Pomorze S.A. for their effort and collaboration for the fabrication of steel structures for the Johan Sverdrup drilling platform.

The Mostostal Pomorze S.A. scope of work included:

- Management, planning, reporting and administration requirements for the Project.
- Providing facilities, temporary works, utilities and services to complete the Project.
- Shop-Engineering
- Fabrication and Assembly
- Painting and PFP
- Load-Out and sea fastening.

The Project was finished under the Contract SUB-00915-01 from February 2016 to December 2016.

Mostostal Pomorze S.A. is an honest and valued subcontractor for Nymo, and therefore we recommend Mostostal Pomorze as a partner.

Yours faithfully
For **AS NYMO**
